Good. Once we hear from Dee, we'll need to huddle on the issues, to see what sort of content we should carry northward.

Thanks for looking into the situation.

On other fronts, just had a call from Kristen Hansen at Lac du Flambeau. She indicated that Dee will likely send a response to your note either today or tomorrow. She asked about timing for our visit and I said sooner rather than later, and that we could likely even get up north next week.

Submitted a request for potential travel comp time on January 11. Received a confirmation that the request was submitted to K. Ambutas. Do you also receive these from the system or does the Region need to revise the routing?

Thanks,

Jenny
